Video Caption Editor with Adobe Premiere Pro Skills | May 2024 - Present
Upwork - Islamabad, Pakistan
We are seeking a skilled video caption editor to join our creative agency team. Your primary responsibility will be to correct and enhance AI-generated SRT files using Adobe Premiere Pro. The provided SRT files are approximately 90% accurate, and you will need to: • Correct existing captions. • Add new caption segments where the AI missed spots. • Apply our drag-and-drop text animation effect presets to specific caption segments based on the context (e.g., certain effects for funny or yelling moments). This is a straightforward task that typically takes about 1.5 hours per video. Payment: • $0.60 USD per minute of footage. Requirements: • Proficiency in Adobe Premiere Pro. • Attention to detail in correcting and enhancing captions. Opportunity: • Long-term collaboration for the right candidates. • Steady stream of work with room for growth. We look forward to hearing from you!
